श्री मुकेश गुप्ता जी,

यह जानकर प्रसन्नता हुई कि विजन दिव्यांग फाउंडेशन, दिल्ली द्वारा विजन दिव्यांग कार्यक्रम का आयोजन किया जा रहा है।

समानता भारतीय संविधान का महत्वपूर्ण घटक है। प्रधानमंत्री श्री नरेन्द्र मोदी जी की सरकार दिव्यांगों के उत्थान एवं उन्हें समाज की मुख्यधारा में सम्मिलित करने हेतु कई प्रकार के कार्यक्रमों एवं अवसरों को आगे बढ़ा रही है। दिव्यांग प्रतिभाओं को उभारने एवं उनके सशक्तिकरण हेतु आपके प्रयास सराहनीय हैं।

मैं विजन दिव्यांग कार्यक्रम के सफल आयोजन एवं स्मारिका प्रकाशन की हार्दिक शुभकामनाएँ व्यक्त करता हूँ।

सधन्यवाद।

It gives me immense pleasure that the Vision Divyang Foundation is organising its 2nd Annual 'Vision Divyang' programme which aims to showcase and celebrate the talent and spirit of the Divyangjan.

The Divyangjan have been historically subjected to stigma and discrimination. They have been excluded from the social, economic and political progress of the country. It is our duty to spread awareness about the issue and sensitise people to make an inclusive society. The Government of India has taken steps to provide assistance and empower the Persons with Disabilities with initiatives like the Accessible India Campaign and various other schemes. All the stakeholders- the citizens, Government, NGOs, schools and hospitals have to ensure that there are no barriers or hindrances in the progress of the people. The Vision Divyang Foundation's efforts in the field of disability and rehabilitation are commendable and with the launch of their two major projects: the Divyang Kit and the Inclusive School Quality Review Programme (ISQRP) will empower the Divyangjan.

I extend my best wishes to the foundation for the implementation of their projects and future endeavours.

With best wishes,

From: Prof. C.L. Kundu

With the dawn of Civilization came disability, and so far no sure method has been devised to know which preceded which. It has been there since human memory can recall. It is a problem that has medical implication and carries social overtones, either over weighs the other. What adds poignancy to the problem is the prevalence. Every tenth person in the world is supposed to be inflicted with one or the other kind of physically disability. It may be congenital, It may be a problem due to prenatal period or problem at the time of birth or it could be an acquired one—through infection, traumatic causes. Even metabolism could be the villain, besides a host of other causative factors.

At Vision Special School, we serve the cause of Disability and Rehabilitation during its early years. Our has become a vast enterprise serving the philosophy of 'PANCH TANTRA'- Early identification, Prevention, Intervention, Educating and Rehabilitating.

Ours is a humble attempt, thousand still wait in uncharted villages. Affected children are still hidden closed doors and we have to reach out to them. These are the challenges before Vision. Indeed we have mixed feelings of hope and despair. Although we have sailed long in creating a larger awareness through the efforts of SRDE (Society for Research and Development in Education). We have resolved ourselves on a path of long term sustainable development for the disabled. We indeed, believe in co-operation and exchange in the field. Our Vision Special School provides knowledge and material for trainers and explore future challenges in service provision. The special education has grown during the last decade. This souvenir will give us a chance to look back and see what plans come to fruition. Further, what promises were kept, and what unforeseen developments come in our way and suggestions for future development in field of disability and rehabilitation, is our raison d'être.

Yours

Prof C.L Kundu

The aim of organizing the Vision Divyangjan Festival is to increase awareness, understand the challenges of Persons with disabilities, project the abilities for the successful promotion of Inclusion of people with disabilities in every aspect of their life. The celebration of Divyangjan Festival is an important event in promoting the abilities, skills, self-esteem and Rights of Persons with disabilities to lead their life with dignity and integrity.

I feel this event should not only be a celebration but an opportunity for all of us to look both at what has been achieved and what is still left to do.

One of the most important activity last year for the Persons with disabilities was the enactment of the RPwD Act 2016, by the Union Government of India. This act sets out the rights and privileges for persons with disabilities in our country on the lines of UNCRPD and to be able to lead their life at par with fellow citizens.

Vision Divyang 2017 programme is of particular relevance because the focus of this year's event is the Inclusion of Persons with disabilities in even better manner; wherein we are providing them a common platform to exhibit their abilities, bring out their innate talents and walk hand in hand with the other stakeholders of the society. It will instill in them not only a sense of pride and self-respect but also sensitize the others towards their challenges and issues.

We appreciate the Union Government and its statutory bodies for taking different measures to implement inclusion of persons with disabilities in the country in all areas of life. There is a special focus of the Prime Minister and the Minister of Social Justice & Empowerment to work towards empowering the Divyangjan with highest commitment and priority.

I am happy to inform, that over 2500 persons with and without special needs are going to take part in this mega-event. Children from over 42 schools are going to make use of the stage set for them to enthrall the august gathering with their spell bound performance. Vision Divyang Foundation is going to launch three projects developed by our team on Educational and Awareness, Divyangjan Training Kit and Pilot Project on Quality Control of Inclusive Schools. Please do take part in this colourful and joyful event.

We humbly express our sincere thanks to all Divyangjan for choosing Vision Divyang Foundation as their facilitators to celebrate this First of its kind Indian holy festival of Divyangjan. We assure all of you that our team will give its best to make this mega event most memorable and successful one.

Children with disabilities and their families constantly encounter several challenges including the enjoyment of their basic human rights; let alone their full inclusion in society. Their abilities are overlooked, their competencies are underestimated and their needs are sidelined. The challenges they face become even more frequent due to the surroundings in which they live and their level of impairments.

In our country conditions are changing at a fast rate in favour of the Divyangjan and taking a positive way for the persons with disabilities. On the positive side, civil society has started supporting persons with disabilities. They have started organizing sensitization programmes for Inclusion; as a result of which more and more opportunities have started opening up for participation of persons with disabilities as full members of their communities.

Frequency of Celebrations and functions with specific focus to bring out talent of Divyangjan have increased. Considering the existing scenario; Vision Divyang Foundation has taken an elaborate initiative to facilitate and create a stage for Divyangjan to celebrate, show case their talents and skills and enjoy their life to the fullest.

I am glad to note the over whelming response from special schools and regular inclusive schools to participate and perform in the Vision Divyang Festival. The programme has taken the shape of a colourful and fun filled talent show with launch of several projects and awards to Divyangjan and their mentors. Children and adults are rehearsing and learning new dances to the tunes of popular and patriotic songs, practicing the singing to compete with professional singers and walking on ramp with international models to enthrall audience with fashion show. They are going to captivate you with many surprising shows with mesmerizing performances. All of these children are waiting for the big day with a say “nothing about us without us”

I am happy to share that Vision Divyang Foundation has meticulously taken all measures to make one of its objective “QUALITY INCLUSION”. All children with disabilities and without disabilities from Delhi, Delhi NCR and Neighboring states are going to participate to share a common platform. They are going to send message to the society based on its anthem: “Hum kisi se kum nahi” ;“khubian tu dekh, kamiyan hata kya karna thujko ho pata, rakh tu honsla tu badta chal badta ja”.

I am fortunate to be a part of this inclusive colourful, funfilled programme of Divyangjan. I wish all the best to children who are going to take part in this Holy Divyangjan Festival.

May God Bless You All

Yours Sincerely
